A note about these school holidays:

To make the best of the school holidays and to give children the opportunity fully embrace and engage with the experiences we have planned, we will be splitting the group for each day. Once bookings have been confirmed we will let you know if your child is in group 1 or group 2.

On offer everyday we will have these experiences on offer for the children: loose parts play, access to the bike track, magnet play, imaginative play, opportunities to play with the train tracks, the blocks, puzzles & board games, the building blocks & lego, ball games, access to outdoor play and to the books and quiet area.
