

Discovery Early Learning Centres — Vacation Care Program

Sacred Heart Vacation Care

"If you can dream it, you can do it."

Welcome to a Magical Disney Vacation Care this April!

Our educators have been listening closely to children's voices, and we are thrilled to share that they have expressed a deep love for all things Disney! With this in mind, we will be embracing the Disney theme to craft a series of experiences tailored to suit every child's interests. We hope each child will discover something magical in our program that sparks their imagination and invites them to participate.

Throughout the holidays, we will offer a variety of engaging activities, and we look forward to creating unforgettable moments as the children embark on their very own Disney adventure!

Thank you and kind regards,

Gloria Morris

Move with us as we test our bodies with a variety of yoga poses inspired by Disney—like the Peter Pan or the Lion King, or how about the Little Mermaid!
