Creative Thinking

Today is all about our BIG ideas, creativity and fun! Join the Think Big Construction Challenge—working with your friends to create giant structures using pop sticks and your imagination. Build, test, rebuild and see how strong your creation can be!

You can also design your very own colourful kindness frame - keep it, gift it to a friend, or share it with someone who could use a smile.

We also need your help for The Ultimate Kooka Challenge. Help create an exciting obstacle course and then run, jump, crawl, balance and race your way through it!

A day full of building, creating, kindness and adventure awaits!

Lego Mania

Get ready for a day of awesome LEGO building, creating and challenges! Grab some bricks, choose your challenge and put your imagination to work.

You can use LEGO and pool noodles to create your own marble, then test your design to see if your marble makes it all the way to the finish line. Build your own LEGO creation and send it flying down a string zip-line. Put your construction skills to the test by building a towering LEGO structure. Experiment with different techniques and see just how high you can go! Or let your imagination run wild as you create amazing creatures, vehicles, buildings, inventions or even an entire LEGO world of your own.
